

## **NCITO Program: Guidelines for Acknowledgement**

All recipients of NCITO funding should acknowledge the support of the Australian Government in all relevant publicity, publications and other materials.

**The support provided by the Australian Government should be acknowledged with the NCITO logo and where possible, the following wording:**

*This exhibition is supported by the National Collecting Institutions Touring and Outreach Program, an Australian Government program aiming to improve access to the national collections for all Australians.*

The logo should be included on all advertising and promotional material associated with the tour—including catalogues, brochures, fliers, posters, media releases and advertisements.

Copies of all promotional material and press releases used throughout the tour should be submitted with the Progress and Final Report as part of the acquittal of your funding.

The Minister for Environment Protection, Heritage and the Arts should be invited to attend opening functions associated with each venue in which a NCITO-supported exhibition is displayed.
