

Dear Mr Young

I am the CEO of Melbourne based video game developer Tantalus Interactive (www.tantalus.com.au), one of Australia's larger developers. I am also the Vice President of the Game Developers' Association of Australia (GDAA).

The GDAA has provided a submission to the Review of Australian Government Film Funding Support.

Tantalus strongly supports this submission. I would urge Government to move quickly to address these key barriers to future industry growth.

Best Regards,

Tom
