Touring Remote Areas

Australian Government

Contemporary Music
Touring Program

A guide for going remote for *TRAX* applications

It is difficult to plan a remote tour, particularly for the first time. Make sure you:

- Read the *TRAX* Guidelines and talk to us
- Check the downloadable 'ARIA' Maps on our site which will assist you in determining the cities, towns and locations which are designated as regional or remote.

and check out some of the following national, State and Territory Agencies such as:
