Contemporary Music Touring Program

The 'must have' Insurance list:

10 million dollars in Public Liability cover.

The 'what if we' Insurance list:

Give some thought to having some additional insurance cover – just imagine...

What if we damaged our

- Vehicles, equipment, personal belongings
- Venues or their equipment
- People or other employees

Or had things stolen

Or got sick on tour and had to pay cancellation fees

Or could no longer drive ourselves back home.

The 'deal makers' Insurance list:

Insurance Brokers can usually negotiate better cover for the better prices.

Try the peak industry body – The National Insurance Brokers Association

www.needabroker.com.au or phone 9964 9400 and find a broker in your area.

Most are friendly and very helpful.

The 'on road' Insurance list:

Covering yourself for a breakdown on tour is a really good plan.

Premium membership packages for your car, van and /or trailer are usually the most comprehensive packages and can cost less than you think. Between \$150 -\$200 a year.

You can usually be fully covered anywhere, anytime in Australia and a range of benefits are available and can include:

- Unlimited roadside assistance callouts
- 100km free towing in remote areas / less in regional and metropolitan areas
- Vehicle health checks
- Locksmith reimbursement
- Trailer coverage

And access to other membership benefits like maps, route advice, accommodation discounts and battery services. **Major Breakdown Assistance** can include car rental, accommodation, passenger transport and vehicle transport.
