

# General permit report for objects exported and returned

*Protection of Movable Cultural Heritage Act 1986*

Principal collecting institutions are granted general permits by the Minister of the Arts under Section 10A of the *Protection of Movable Cultural Heritage Act 1986* (PMCH Act) to export Class B Australian protected objects that have been accessioned into their collection.

Current holders of general permits are required to **report annually** to the department on objects exported and imported using their permit during the financial year. The report should include a description, purpose and dates for each object exported and returned. If an institution's records already contain this information, the report may be submitted in that format, provided it details the required information listed above.

**Forward completed General Permit Reports using the contact details below.**

**Reports are due by the 31st of July annually for the financial year immediately before, failure to do so may result in the cancellation of the general permit.**
