hi. Dave 52. born Belmont hospital 1973. awabakal lands. worked in aboriginal communities NE of Alice Springs 1999-2002.

learned aboriginal culture from remote Australia communities

yipperina country. love my Aussie history.

why don't we have annual corrobarrri aboriginal land councils hold annual.

why can't we learn aboriginal culture from the very people from each of 250 mobs. well at least 100 of them.

annual show could sell arts crafts souvenirs that were used by Aboriginals

I would love to see awabakal land councils annual show. showcasing dance and music. the totam animal dance. a day long gathering corrobarrri. young ones or everyone is encouraged to sit and listen to dream time story's and past from elders. we could use first fleet diaries and show what collinization did. we together can educate the youth of our nation. if the schools don't.

I want Aboriginal land councils to show us aboriginal culture. annually. displaying we never forget culture. let's not hear aboriginal culture let's breath it feels it live it and watch our youth become aboriginal just for a day and learn about the lands they are on.

I wanna help

I was made a protector of the young in hermansberg. I owe it to the youth. never believe in black magic. that elder bestowed upon me a connection that is real. it includes the sorrow and pain which is a curse.

aboriginal culture has been talked about to long let's set it up so we all understand it for what it was. our youth will be educated in one generation we will see change.

who wants a decendant of a 10 pound pom. the grand son of an Anzac to point out how ruthless colonization was on there lands.

I'm not proud. it needs to be know also. you ever seen a Japanese tourist exit pearl harbour memorial. vision brings shame and understanding. then we get compassion.

I wanna help. let's get an annual aboriginal shows award going. best community wins a good incentive be it money.

you will make money from show.
