Short submission (text box 500 words or less)

- 1) Cultural education must be made mandatory for all year for Children at school, University and similar education institution. Mandatory at work.
- 2) Instead of having divisive cultural celebrations, it should be inclusive to all citizens.
- 3) Kids should be taught at school about racism and the impact on others as mandatory education.
- 4) Everyone should be encouraged to celebrate their culture , however they should have an understanding Culture is not citizenship or visa status , its the way of living and the generations way of living.
- 5) recognition for first nations must be mandatory at all circumstances , whether its an public event or private event. A government form.
- 6) Stolen generation and Forgotten generation must be a mandatory learning as part of school and higher studies.
- 7) Without sharing the knowledge and stories , we will not be able to achieve healthy multicultural relationships.
- 8) Everyone belongs, every story belongs.
