My name is [REDACTED]. I am Professor of Creative Writing. I have published 90 books and or short stories for YA and Adults since the 1980's. I have won the Australian Children's Book of the Year 4 times and been awarded the Order of Australia Medal for my contribution to Australian Literature. My books are published all over the world and I have run classes and lectured on Creative Writing all over the world. My problem with contemporary publishing is the 'dumbing down' of content and the lack of literary content
