Public and anonymous

Individual

Short submission (text box 500 words or less)

It is crucial that the forthcoming National Cultural Plan reflects current issues faced by artists and arts workers, as well as the arts sector at large. I am concerned by the prevalence of censorship, political interference and racism in the arts. As such, this submission is grounded in core values of and commitment to decolonisation, anti-racism, anti-discrimination; artists as the moral compass of the sector; freedom of artistic expression without limitations; and freedom from political interference in the arts.
