DEMO *DANCE BATTLES*

Elements Collective offers dynamic demo dance battle performances that showcase the essence of Breaking, offering an exciting, high-energy experience for audiences. Through our performances, we not only demonstrate the incredible skill and creativity of our dancers but also engage with the public by teaching them about the art form. We encourage interaction and create an inclusive space where people can express themselves, while also leaving them amazed by the power and artistry of Breaking. It's a unique opportunity for audiences to connect with the culture and energy of Hip Hop firsthand.

WORKSHOP + COMMUNITY ENGAGEMENT

At Elements Collective, we kick things off by showcasing the four elements of Breaking: toprocks, footworks, freezes, and powermoves. Our experienced instructors then dive into teaching these fundamentals, giving participants a hands-on understanding of each element. After exploring the foundations, we finish with an exhibition battle where everyone can express themselves and show off what they've learned. It's a dynamic mix of learning, entertainment, and community that makes for an unforgettable experience.
