

**Australian Government**

**Department of Infrastructure, Transport,  
Regional Development, Communications and the Arts**

## **Revive Live grant recipients—2024**

The *Revive Live* program, administered by the Department of Infrastructure, Transport, Regional Development, Communications and the Arts, is a competitive grants opportunity for live music venues, festivals and organisations that support quality original Australian live music.

Grants provide funding for:

- infrastructure upgrades, purchase of equipment, programming and promotional expenses and artist fees, or
- initiatives that deliver to venues and festivals and build capacity, for example, professional development programs, expanded regional touring circuits, and partnerships across jurisdictions.

**All figures below are GST exclusive.**
