***Revive Live* grant recipients—2025-26**

The *Revive Live* program, administered by the Department of Infrastructure, Transport, Regional Development, Communications, Sport and the Arts, is a competitive grants opportunity for live music venues, festivals and organisations that support quality original Australian live music.

Grants provide funding for:

- infrastructure upgrades, purchase of equipment, programming and promotional expenses and artist fees, or
- initiatives that deliver to venues and festivals and build capacity, for example, professional development programs, expanded regional touring circuits, and partnerships across jurisdictions.
