Lending Rights

2021-22 claims for eligible books need to be lodged by 31 March 2021

🔗 lendingrights.arts.gov.au

Title claims for the 2021-22 Public and Educational Lending Right schemes need to be lodged by **31 March** 2021 for eligible books **not** previously claimed.

You may submit title claims for books published between 1 January 2015 and 31 December 2020.

If you are a book creator—author, editor, illustrator, translator or compiler—or a publisher, you may be eligible for Lending Right payments.

The Lending Right schemes recompense creators and publishers in recognition that income is lost through the free use of eligible books in Australian public and educational lending libraries.

Submit your claim today through the Lending Rights online portal available at:

lendingrights.arts.gov.au

The portal is designed to make it easy for you to register, make and track claims online. If you need help to set up access to the portal, please contact the Lending Rights team on our toll free number or email address below.
